Everewear

5th Iteration

Mentor Feedback

- We should be proud of the software that we produced
- Finish strong
- We made it, congratulations
- Didn't suggest any changes to be made

Client Feedback

- Excited about new style changes & liked the overall look of the website
  - Requested that we add more green elements to the website (implemented)
- Feature a "FAQ" or "How Does It Work" section on the homepage (implemented)
- Make the background of the shopping and cart page white (implemented)
- Add new questions to the FAQ page (implemented)
- Excited about the improvements made to the filtering of the style quiz

Feature: Excluding Items

- Style quiz now more accurately reflects what a user is looking for
- If an item cannot be found in their selected price range, it will search for items below it
- Excludes clothing items that the user is not looking for
